## Commander Brief – by Dick Cole

I hope all of you and a Merry Christmas and Happy New Year. We have survived another year. We had our Christmas party at the club which we have had for 37 years and 35 members and their guests attended. Not bad since it was Christmas Eve.

Every time we get ahead, another piece of equipment must be replaced. This time it was the 15-ton heating and air unit on the west side of the Post that was installed in 95 or 96, the cost was \$14,900. The identical one next to it was installed at the same time. We can only hope it lasts longer than the one we just replaced. A lot longer!

General Membership Meetings are held the first Tuesday of each month at 8 pm. Would like to see more interest. At most meetings, only 3 or 4 members plus elected and appointed officers are in attendance. We would like more members to get involved and give us new ideas and suggestions. Many veteran posts of all Veterans Organizations are having a tough time existing due to lack of interest and loss of members. I would hate to see CLOSED or our hours of operations being cut on our front door. Things are a lot different now than they were after WW11 when 16 million were in uniform and the data era was unheard of. Most of the Veterans are no longer with us.

Nominations for officers for 2018 – 2019 will be held at the General Membership Meeting in May and the election at the General Membership in June. Only requirements by the Post Standing Rules is a member must be in good standing. Commander and Finance Officer must have served at least one year as an elected officer. We are desperate for computer savvy officers as so much is now done on computers. Hope to see you at the Post.
